

2nd REMEDI4ALL MULTI-STAKEHOLDER MEETING

Ensuring patient centricity in Osteogenesis Imperfecta research

REMEDi4ALL invites all stakeholders in the Osteogenesis Imperfecta (OI) research community to join us for a day of learning, discussion, and inspiration. Together, we will discuss and develop patient centric approaches to research and medicines development for OI.

 13th June 2024

 8:30 - 17:40 (CEST)

 Savoia Hotel Regency, Via del Pilastro, 2, Bologna, Italy
